Sliding Fee Guidelines

A person requesting that the Sliding Fee be considered for their account must:

- Complete the sliding fee application
- Provide copies of submitted tax forms or
- Provide at least 3 months of income verification (wage earnings or disability) or
- Provide proof of income if self- employed or
- Provide proof of income from Native Corporations and inheritance money if applicable
- Sliding fee applications cannot be approved without proof of income.

If the client is married, they MUST provide all the above information on themselves AND their spouse.

Please note that if the application is not filled out completely, you will not be awarded a sliding fee discount.

Upon determination of your sliding fee scale you will be sent a letter explaining your status. Once you have received your status letter you may call and schedule your assessment appointment.

If you choose to schedule an assessment prior to you receiving your sliding fee status letter you will be expected to pay the full price for services rendered until such time as the sliding fee status is determined.
