Patient's Experience Made Better

By Kaitlyn V. Bausler

The End of Life Care Committee graciously thanks Donna Mohler, physical rehab aide and clerk here at Bartlett, for making beautiful comfort quilts for our unit. Her quilts are a great addition to the Medical/Surgical unit. We hope they will bring some relief to our patients and families who are receiving comfort and/or end of life care at Bartlett Regional Hospital.

Comfort quilts aid in turning a regular hospital room into a soothing, personal, and homey place in hopes of providing the best quality environment for a person towards the end of life.

If you would like to donate a knitted, crocheted, or quilted blanket for our "comfort quilts", please contact the End of Life Care Committee at Bartlett Regional Hospital. Committee members: Liz Bishop, RN, CAM; Kaitlyn Bausler, RN and Wendi Wilke, RN.

Thank You!

Thank you, for all you do!

Denim Divas Raise \$\$\$ for ACS!

By Rachel Fitzhugh

We raised \$1670.00 from the Denim Days and \$260.00 from the Auction (totals are still not finalized just yet...we may have a few more dollars yet to be tallied up).

So, Bartlett Regional Hospital’s Denim Divas have raised at least \$1930.00 for the American Cancer Society and exceeded our goal because of the amazing generosity of Bartlett employees to get “Casual for a Cause” with the Third Annual Denim Days.

144 Days...and counting!
